JANCIS ROBINSON' DESCRIBES CHILEAN SYRAH AND RECOMMENDS VIU MANENT'S APPEALING AND DELICIOUS SECRETO SYRAH
 INGLATERRA

The Master of Wine **Jancis Robinson** reflected on the Chilean Syrah after tasting over 60 different samples available in the United Kingdom. In her web page column, she publishes "*The northern Rhône variety invades Chile*" and goes on to state the enormous potential Chilean Syrah has develop into, and the popularity this variety has attained worldwide, "Syrah has become a global force" says Robinson. Because *Syrah* or *Shiraz* is produced in different styles and in various regions worldwide, she wanted to measure Chile's success with this variety. The British expert has recommended almost a dozen Chilean Syrah produced in the central valley and recommends the **delicious and appealing Secreto Syrah 2004 by Viu Manent.**
